**BELGRADE : 19-21 MAY**

*www.24-7prayer.com*

24-7 Prayer would like to invite you to spend a weekend in Belgrade in May this year for a BIG conversation.....

It's a key year in the life of 24-7 prayer. What began in one place is now worldwide and all sorts of dreams and ideas are emerging to shape the future direction of 24-7. Rather than push on regardless we are prioritizing time together in individual nations, Europe, USA and South Africa where we can talk, listen, share ideas, dream and pray – these are the Big Conversations.

We are thrilled that the first 'all European' opportunity to be part of a Conversation will be held in Belgrade in May. The time is open to anyone who feels connected to 24-7 and wants to join us. We are however deliberately basing this time in Belgrade so that friends from the Balkans and Eastern Europe can join us more easily.

This time will shape many of the broader decisions being made – we would love to see many of you there. The gathering will start early evening on Friday 19<sup>th</sup> May finishing late afternoon Sunday 21<sup>st</sup> May. Schedule to be posted out soon. The time will be Europe focused and is open to anyone who feels connected to 24-7 Prayer.

Ian Nicholson: 24-7 European Director
